VOL. LXXXIX No. 25

FIFTEEN CENTS

Voters Okay School Increase

By a margin of only 10 ballots, voters in the Antioch Grade School District approved last Saturday's referendum question.

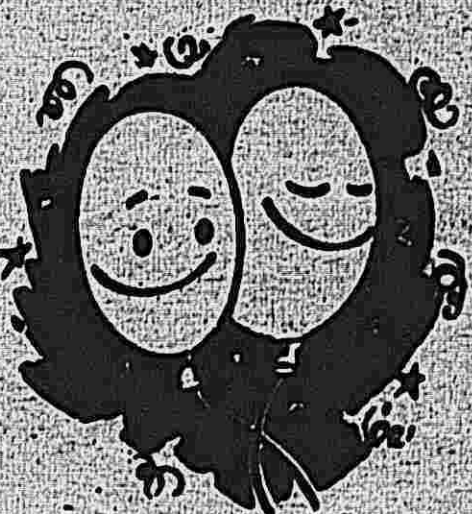

They okayed an increase of 45 cents in the district's educational fund.

The final vote was 763 to 753. Election officials counted the ballots three times to make sure there was no mistake.

Oakland school was actually the only precinct that turned in a winning total. The vote there was 222 yes, 135 no.

At Channel Lake it was 68 yes, 127 no, and at the Antioch Grade School it was 473 yes, 491 no.

The 45-cent increase will raise taxes of the average homeowner (a home with an assessed valuation of \$7,000) by \$31.50. Homes in the area are assessed at about 36 percent of their actual value.

THE ANTIOCH NEWS HOPES YOU HAVE A HAPPY DAY.

One Liner

All generalizations are dangerous—even this one.

76 TROMBONES? NO, ONE SQUASAPHONE -- Tracy Miehke, a 4th grader at Channel Lake school, performs on a big tuba as part of the 165-member Beginners Band. The Beginners, as well as the Senior and Junior Bands, under the direction of Larry Wagner, were featured Sunday night in the Grade Schools' Christmas Concert. Nearly 1,300 attended. (Paul Maplethorpe Photo).

Chain O' Lakes Group Begins Its Work

The Chain O'Lakes-Fox River Commission met last week and decided to spend \$14,900 for preliminary plans and cost estimates for the restoration of boating channels from Northern

Lake County through McHenry County and into Kane County.

The project is expected to be completed by March 1.

William E. Brook of Antioch was unanimously elected chairman of the commission, composed of laymen and legislators. William Bolger of McHenry is vice-chairman and Mrs. Rita Zelany of Highland Park was elected secretary.

The Chain O'Lakes-Fox River group replaces the former Chain O'Lakes Study Commission, which was headed, by Brook, Mrs. Zelany and Rep. John Matijevich of North Chicago.

The Study Commission succeeded in having the Illinois General Assembly appropriate \$145,000 to help solve pollution and flooding problems in the area.

Brook said that he has lived in this area all of his life and has seen "the tremendous deterioration, almost beyond total comprehension, and it's about time something was done. The old commission brought the problem into focus ... It's late, but not too late. I'm hopeful we can do something to get the Chain back to the point where it was."

The group will meet again within the next two weeks.

Friday is Deadline For Christmas News and Ads

Because next Wednesday is Christmas, the Antioch News will publish its annual Holiday Edition two days early. Next week's issue will be on the newsstands Monday, Dec. 23, and delivered to homes Tuesday, Dec. 24.

We will then take our annual holiday break. Our office will reopen Jan. 2 and our next issue will be published on Jan. 8.

The news and advertising deadline for the Christmas issue will be 5 p.m. on Friday, Dec. 20. That's only two days away. Advertisers wishing to extend holiday greetings to our readers are urged to contact us before Friday's deadline.

Skating Pond Is Planned

Pretty soon Antioch kids (and adults too) will have a new ice skating pond.

The village board Monday night decided to begin preparing a pond at the sewage treatment plant for that purpose.

The pond, on Cunningham Dr. near Poplar Ave., is enclosed by a high cyclone fence. The village board voted to have Martin Fencing Co. relocate the fence so that the public can have access to the pond.

Mayor Robert Wilton questioned the possibility that the pond, without a fence around it, might be a danger for small children. But most of the trustees didn't seem to think it was particularly dangerous. The depth of the pond gradually increases from one foot at the edges to four feet in the center.

Trustee Mike Haley said, "I see no reason why we can't stock the pond with small bluegills in the summer and let the kids fish in it."

The pond hopefully will be ready for ice skating by January.

IN OTHER ACTION Monday night the trustees authorized the park board to work on a snowmobile route and submit it for approval.

Snowmobilers have approached the park board, asking for a legal way to get their machines across town and out of town without using trailers.

An amendment to the village building code ordinance was approved, regarding water softeners. It calls for water softeners being installed in any structure in the village to be subject to an inspection by the building commissioner.

The building commissioner will make sure that it does not

interfere with the village sewer and water systems. An inspection fee of \$5 will be charged and

the ordinance becomes effective Jan. 1.

NEXT MONDAY'S village committee meetings were cancelled by Mayor Wilton because it is the week of Christmas.

The rescue squad received permission to install an antenna on the water tower for use with its heart monitoring equipment. The board okayed a request

by Bemis Construction Co. for \$9,856 as partial payment for the new public works storage building which is now about 80 percent complete. That leaves a balance of \$5,211 on the building.

• Never spray canned snow on angel hair (glass wool). It creates a highly combustible combination.

Post Office Has Christmas Gifts Too

Last Minute shopping - stop in at the Antioch Post Office where several philatelic and other postal related products are now on sale. Most of them for less than \$5.

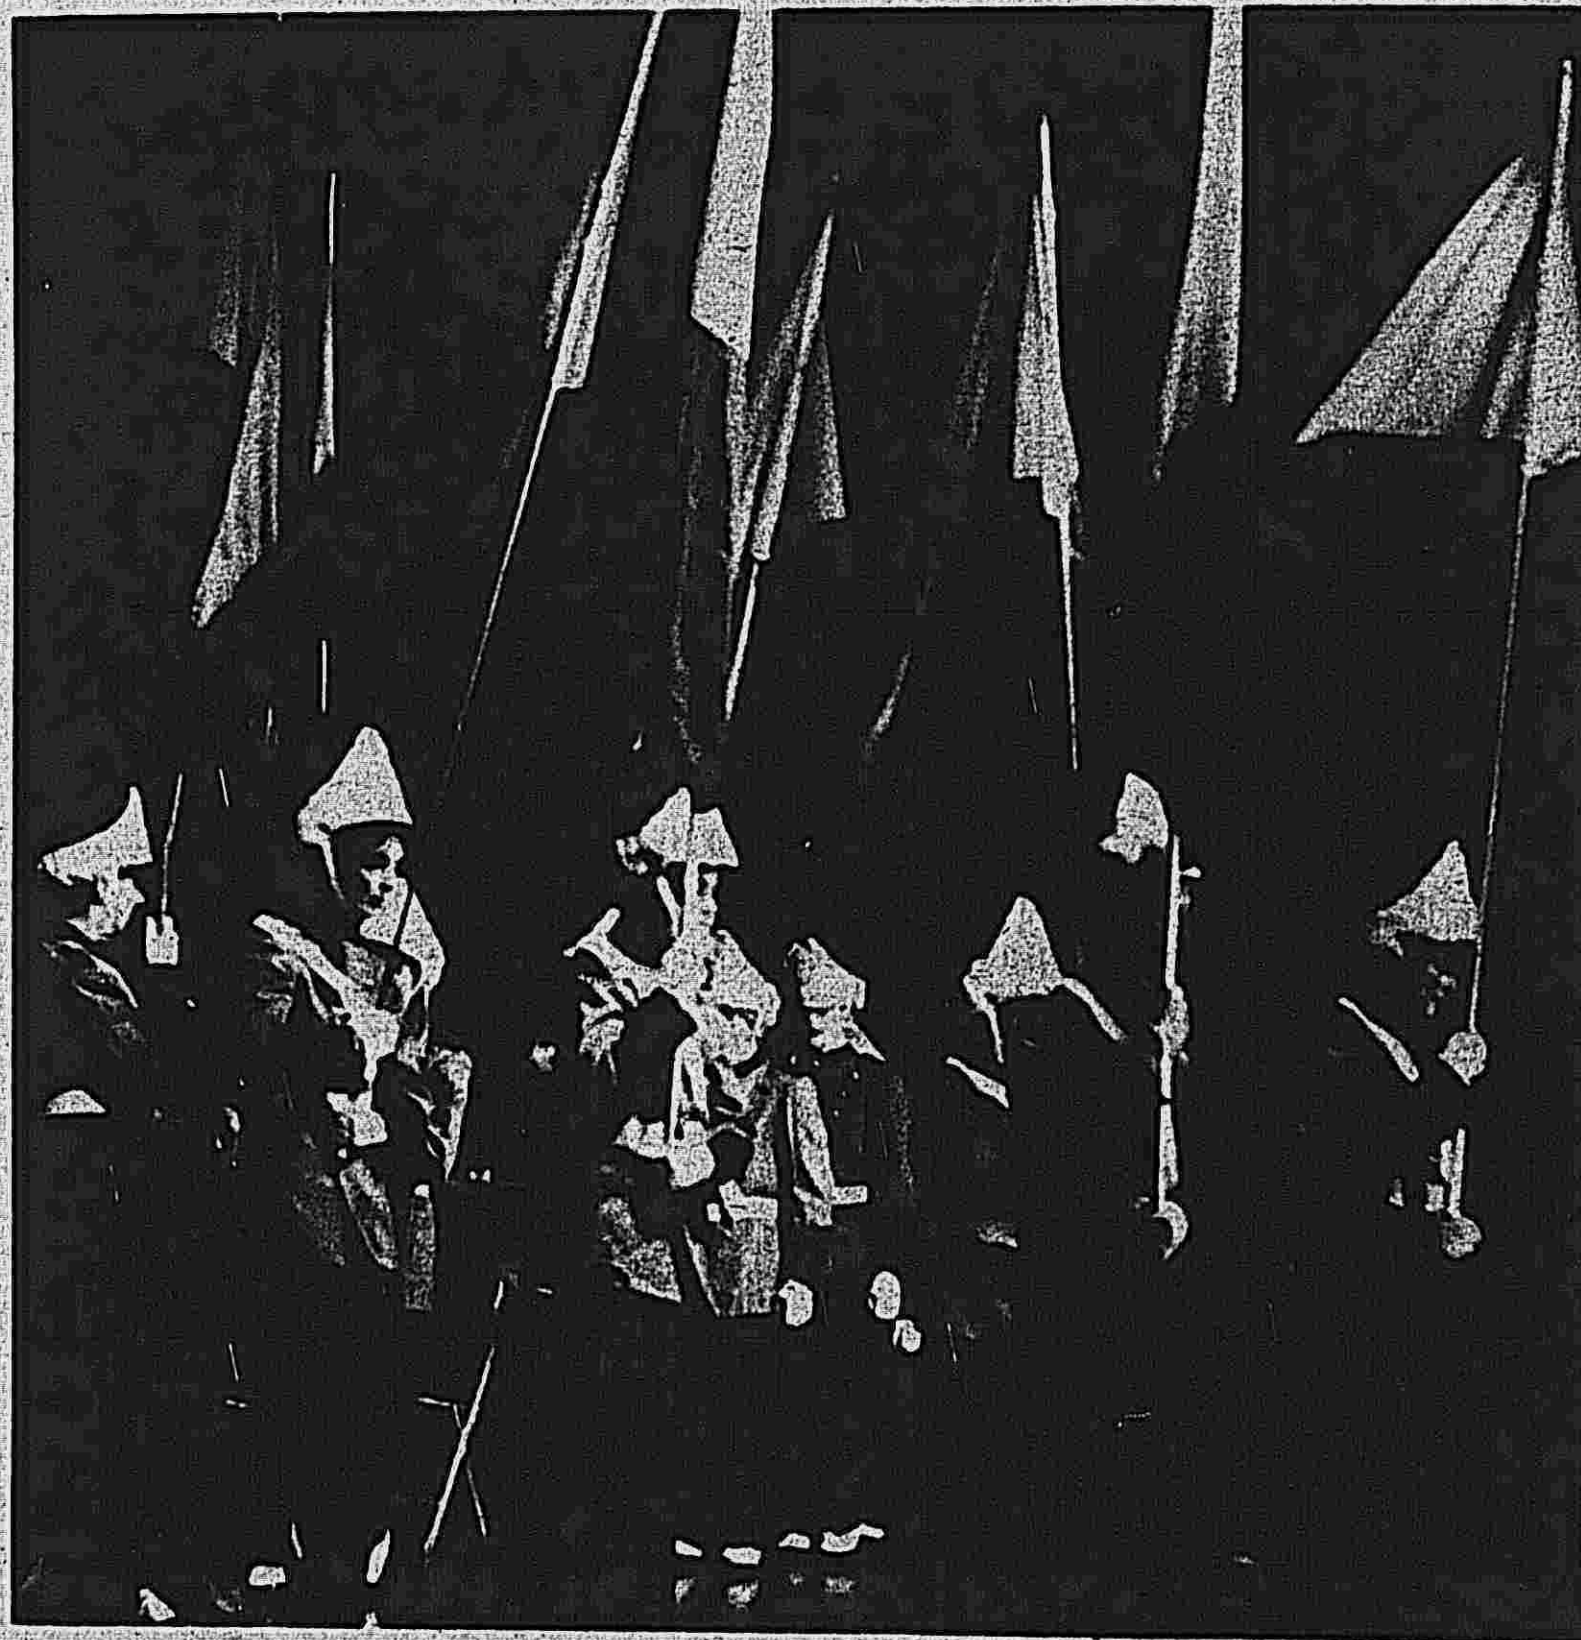

Some of the items are:

Stamp collecting kits at \$2 each on subjects of space, animals, sports, birds, butterflies, art and music; mint sets

containing one of every commemorative stamp issued in 1974, \$3.50; 1973 mint sets and 1972 mini albums containing commemorative stamps, \$3 each; 1971 albums \$2.50; American commemorative stamp panels including four stamps, description, and related engravings, \$2 each; stamps and stories, a 240-page paper-

back book of stamp illustrations \$2; a postage affixer, which holds rolls of 100 and 500 stamps and automatically "licks" and sticks stamps on envelopes, \$10.95; a pocket scale to weigh letters and determine postage, \$1.98.

Padded bags for mailing these or other items can be purchased for 25, 50 or 70 cents.

"TOY SOLDIERS" marched to a tune from "Babes in Toyland" Sunday afternoon in the Christmas Concert at Antioch High School.

License Plate Mailing Continues

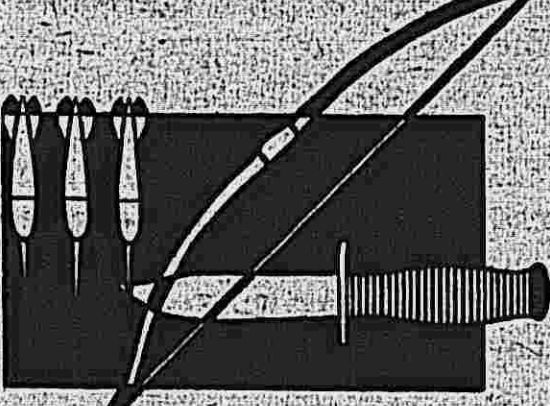

SPRINGFIELD — Secretary of State Michael J. Howlett has reminded Illinois motorists that 1975 license plates are being mailed out daily and that all reassignment and special request plates received in the Springfield office should be processed by Friday of this week.

"More than 700,000 plates have been mailed from our office but we still have around 200,000 to process and mail," Howlett said.

The Secretary of State's office is releasing 30,000 plates daily, including the new three-letter licenses originated last year.

"We have had a record-breaking number of applications for reassignment and special requests," Howlett added. "We hope that the applicants will be patient with us as we near completion of the project."

DON'T

...GIVE CHILDREN DANGEROUS TOYS

Check those toys! Are they approved? Look for sharp edges and points. Check for hidden sharp wires and staples. Avoid toys that heat up and toys that shoot.

Sorry

Thomas Dye, a sophomore at Antioch Community High School, accidentally was left off the list two weeks ago when we published the school's honor roll for the first nine weeks of the school year.

COMMENTS...

Too Much Religion?

The United States Court of Appeals has ruled that the Nativity scene must be dropped from the Pageant of Peace because of excessive government entanglement with religion.

That's pretty strange. We've often wondered how a government can claim to be totally divorced from any association with religion -- and then call a national holiday to celebrate the birthday of Christ ... or set a Thursday in November as a national holiday to give thanks to God.

'Tick, Tick, Man; Be Quick!'

Many Americans are going too fast and are showing too little compassion for their fellowman as they travel hurriedly from the cradle to the grave.

A case in point was a tragedy in Los Angeles when at least six, and possibly nine speeding autos struck and killed a youth after he plunged from a freeway overpass. Officers said only one driver bothered to stop.

MERRY CHRISTMAS!

GOLDWATER

It's Dangerous When Men Try To Govern

Americans are fond of boasting that they have a government of laws, not men.

That's the theory -- but not the fact.

In the Watergate scandal and related affairs, this was proven beyond a shadow of a doubt. A handful of arrogant, power-hungry men used the White House as a base to reverse the order established by the founding fathers. At the highest level, a government of men held sway and refused to let the laws of the land get in their way for many months.

THIS IS only the most recent and best-publicized example of a government by men being substituted without authority of the people for a government of laws. It was not the first by any means, and I seriously doubt if it will be the last.

In previous operations of this type names like Bobby Baker, the Democratic secretary of the Senate; T. Lamar Caudle, boss of the criminal division of the Justice Department; Matthew Connolly, appointment secretary to President Harry

Truman, figured prominently in irregularities. They ignored the laws in the confident belief that they held enough power in government to get away with it.

But these were only the headline cases, those of newsworthy people who used their positions in previous administrations to flout the law of the land.

THERE ARE countless examples of government by men in the labyrinthian depths of the federal bureaucracy. In the departments and commissions of the bureaucracy, a government of men has existed for many years. Only occasionally do the members of Congress or the public catch a glimpse of the bureaucratic "middle-management" bosses in action. The officials here, most of them protected by civil service, go their own way regardless of congressional or White House intent. These government employees have been in the same jobs so long they actually have begun to believe they own not only the jobs but the functions the jobs were de-

signed to carry out.

Unfortunately, the Congress seldom follows through to make sure the intent it writes into pieces of legislation is actually placed into action. More often than not, the Senate and House members most directly concerned feel their responsibility ends when the legislation is enacted into law. This is when the bureaucracy's managers move in and do just about whatever they want with that particular piece of legislation.

THE REAL CHRISTMAS

With all the bustle and buying the Yuletide brings, many people -- particularly children -- have a hard time trying to find what Christmas is really all about. But there are ways you can help your child understand this happy holy-day!

1. Christmas is sharing. Teach your child to share with others by letting him contribute from his own savings to Christmas baskets, Christmas seals, the street-corner Santa or some similar charity. Let him help you share the beauty of Christmas with your whole neighborhood by putting up the shining strings of colored lights about the house.

2. Christmas is joy. In addition to any parties you may give have a special one with your children as "guests."

3. Christmas is song. Your whole family, and your neighbors, might enjoy an evening of caroling from house to house about the

neighborhood, or just an evening at home singing the traditional songs around the brightly lighted tree.

4. Christmas is beautiful. Have your child help decorate the house and send out the cards, perhaps the ones he drew or made himself.

BRIGHTENING UP LAKE STREET is a new business, Ipsen's Village Cleaners. Gert Ipsen (right) is shown with her associate, Jeanette Lenczowski. The dry cleaning store and plant is at 520 Lake St. Gert and her husband, Lee Ipsen, completely remodeled an approximately

100-year-old house into an attractive business establishment. The Ipsens are well-known in Antioch. Lee is a veteran scout leader and presently is scoutmaster at Grass Lake School. Their son, Brad, is a member of the Antioch Rescue Squad.

Another Bake-Off Winner for Antioch

Antioch has another Pillsbury Bake-Off winner and in the same family too!

Mrs. Norma Garvin of 602 Highland Ave. received a call last Friday announcing she would be among the 100 finalists to compete in the Pillsbury Bake-Off contest on Feb. 23-24-25 in San Francisco, Calif.

Norma, whose daughter Peggy Van Patten won two years ago, chose a crunchy peanut butter crescent bar for

her entry. However, she is not allowed to indulge in the details of her recipe until later.

Pillsbury has presented Norma with a micro-wave oven, plus \$100, a G.E. mixer and a three day expense paid trip to the Bake-Off.

Norma and her husband, Bob, are the parents of five daughters: Mrs. Peggy Van Patten, Mrs. Norma Lowe, Mrs. Judy Butler, Mrs. Kathy Horton and Mrs. Wendy Carey. They have nine grandchildren.

Certain North American Indian tribes passed their children through the limbs of a dogwood tree to protect them from childhood diseases.

High School Board Meeting

The regular monthly meeting of the Board of Education of Antioch Community High School, District 117, Lake County, Antioch, Illinois 60002, has been changed to Thursday, Dec. 19, at 7:30 p.m. in the General Office.

Some people believe that if it thunders on Sunday, goose eggs won't hatch.

Decorated Christmas trees in Christian homes did not become popular until the sixteenth century, when Martin Luther cut a snow-laden tree from his garden, decorated it with candles, and placed it in the nursery for his wife and children.

Traffic Safety Essay Contest

Illinois high school seniors are reminded that Dec. 31 is the final date to submit entries in the 1974 traffic safety essay contest sponsored by the Illinois Editors' Traffic Safety Seminar.

Lionel Kramer, Seminar secretary and vice president, public relations, of the Chicago Motor Club - AAA, said entries must be submitted by the Dec. 31 deadline in order to compete for one of the ten \$500 scholarship grants being made available to the winners - five boys and five girls - by the Chicago Motor Club.

Theme of this year's essay contest is "What Should My Community Be Doing To Improve Teen-Age Driver Safety?"

Here are the contest rules:

-The contest is open to all Illinois high school seniors in public, parochial or private schools.

-The top 10 awards, \$500 Chicago Motor Club scholarship grants, will be divided equally among boy and girl entrants.

-Entry blanks or facsimilies must accompany all entries (entry blanks are available at schools, Chicago Motor Club branch offices, or by mail from Seminar Headquarters, 66 E. South Water St., Chicago, Illinois 60601).

-Essays must be received at Seminar Headquarters postmarked no later than Dec. 31.

Final judging will be done by a panel of University of Illinois educators. Scholarship awards will be presented at the Seminar Honors Luncheon Friday, May 16, at the Holiday Inn East, Springfield, Ill.

THE
VAULT
RESTAURANT

The Time Machine

70 YEARS AGO DECEMBER 15, 1904

Last November was the driest November in the history of the weather bureau. There has been no rain so far this month and the question of a rain water supply is becoming serious in many homes. Wells are beginning to show the effects of the dry weather, and should it freeze up for the winter without rain the water supply in many places would be very short.

At the annual election of officers of Sequoit Lodge Ancient Free and Accepted Masons held on Wednesday evening the following were elected: W. Master, M. J. Huber; S. Warden, Sol LaPlant; J. Warden, W. R. Williams; Treasurer, W. F. Ziegler.

50 YEARS AGO DECEMBER 18, 1924

There's going to be one grand and glorious Christmas eve for the kiddies this year if the plans of the different organizations do not go astray. The program calls for a celebration at the high school Wednesday evening, Dec. 24, at 7 p.m. with entertainment by various groups. Dear Old Santa himself says he'll be on hand with a generous proportion of candy and pop corn balls for all the young folks, —and Mr. Reeves is going to top off the occasion with ice cream for the kiddies.

Toyland, located upstairs at Hillebrand & Shultis says that Santa Claus has left a big bag full of toys there: building toys, at 10 cents to \$1; walking or character dolls, at 25 cents and up; beautiful doll furniture, at 50 cents and up; your choice of a coaster, automobile or tricycle, at \$1.25 and up; trains on tracks, at \$1.75 and many other attractive toys.

20 YEARS AGO DECEMBER 16, 1954

The Henry Rentner restaurant on Rt. 173 east of the village limits was looted on successive nights last weekend. The Hunter garage next door was broken into the second night and looted for losses totalling several hundred dollars.

Need for a place for teenagers to skate this winter has caused Antioch American Legion officials to investigate the possibility of the use of Antioch Lake as a place for this kind of recreation.

10 YEARS AGO DECEMBER 17, 1964

The Board of Education of the Antioch Grade School, District 34, unanimously approved and signed the joint resolution annexing Channel Lake School District 35 to District 34.

Antioch High School's first debate team did themselves proud last week in their first tournament, the Wilmot Invitational High School Tournament. Team members, coached by Miss Mary Jean Baehler, are David Chandler, James Knirsch, Andy Johnson, Karen Delaney, Cindy Mortensen, Kathy Carlucci, David Serres and Marty Hanlon.

Joins College Honor Society

ROCK ISLAND — Steven M. Carlson, Antioch, a sophomore at Augustana College, has been initiated into Akros, freshman men's honor society. He qualified on the basis of his

spring quarter grades during his freshman year.

Steven is a son of Mr. and Mrs. Walter H. Carlson, 343 Cedarwood Lane, Antioch.

Probation Aides Needed

Along with the joys of the holiday season, come the many appeals for help and assistance from numerous worthwhile organizations.

The department of Court Corrections, Lake County, Illinois would like to suggest you give the Volunteers In Probation a serious thought. We ask for no money, only an offer of a helping hand to a young person in trouble.

Volunteer probation aides assist young probationers in the community. Monthly contact is maintained plus a written report submitted to the Adult Probation Department. Community involvement in the field of court corrections is the best positive step toward rehabilitation.

For further information concerning this imaginative program, contact Vivian V. Leland, Volunteer Service Coordinator, 26 N. Utica Street, Waukegan, Ill. 689-6455.

Give yourself a gift this year — the gift of sharing your talents and understanding. It may be the best gift of all!

Take Extra Care To Help Avoid Holiday Hazards

When you plan for the holidays this year, take into account these safety precautions from Pinkerton's, Inc., the private security firm.

- If you buy one of the newer metallic Christmas trees, don't use regular colored lights — it's an invitation to a short circuit. Use a spotlight with colored filters.

- Before you buy anything electrical, check for the Underwriter's Laboratory label (the small tag bearing the initials "UL"). If it doesn't have it, don't buy it.

- Check all toys to see that they are non-flammable and have no lead-base paint on them.

- Be aware that fingerpaints, oil and water paints in some children's sets may contain poison. You can find sets that don't, and they will say so.

JOHN TERESI Chevrolet-Oldsmobile BRINGS YOU

DEC. 23-29, 1974

Come on mate, let's go for a skate.

Square off those debts of conscience and close the year in peace . . . Silent Night composed by Mohr, Bavaria Dec. 24, 1818 . . . Full Cold Moon Dec. 28 . . . Great Waves at sea now . . . Average length of days for week, 9 hours, 5 minutes . . . Robin Hood died Dec. 24, 1247 . . . Battle of Wounded Knee Creek Dec. 29, 1890 . . . Gas lights installed in White House Dec. 29, 1848 . . . Merry Christmas, and be of good cheer; things will be better next year.

Old Farmer's Riddle: What pipes are never smoked? (Answer below.)

Ask the Old Farmer: Can you give me the name of the liniment, a thick gray solution, used on the legs of cows and horses when they suffer from stiffness caused by damp ground?

The old-timers themselves favored this liniment when they had stiff joints. It has

a strong medicinal odor. Kendall's Liniment was for horses; Slown's was used for both horses and humans.

Home Hint: Saucepans and other tin or granite dishes browned by use, may be cleaned by letting them remain half an hour in boiling soda water, then rubbing with a wire dish cloth or stiff brush . . . Riddle answer: Baggpipes.

OLD FARMER'S WEATHER FORECASTS

New England: Cold with scattered light snow most of week; clearing and considerably warmer by weekend.

Greater New York-New Jersey: Cold with heavy rain to start, then clearing and colder to end of week.

Middle Atlantic Coastal: Light rain at first, then becoming quite cold; end of week mostly clear and cold.

Southeast Coastal-Piedmont: Early week clearing and very cold; end of week cold and clear, then warmer by weekend.

Florida: Showers to start, then clearing and cold with frost in north; clear and warm by weekend.

Upstate & Western N.Y.-Toronto & Montreal: Snow, 3-5" to start, then partial clearing and very cold; end of week very cold with light snow changing to rain and warmer.

Greater Ohio Valley: Snow and cold all week with 2-4" accumulation in west.

Deep South: Partly cloudy and cold at first, then some snow in north; clear and very cold latter part.

Chicago & Southern Great Lakes: Early week snowstorm with 3-5" snow in east and 1-3" snow in west; end of week cloudy and milder.

Northern Great Plains-Great Lakes: Light snow to start, then very cold; sunshine and warm latter part.

Central Great Plains: First part of week mostly cloudy and cold; end of week sunny and milder.

Texas-Oklahoma: Week begins sunny and cool, then flurries in north and rain in south; week ends sunny and mild in north, still rainy in south and cool and cloudy in central.

Rocky Mountain Region: Most of week clear and mild; some snow in north by weekend.

Southwest Desert: Most of week sunny and warm with highs in 70s; partly cloudy latter part.

Pacific Northwest: Early week mostly sunny, but some rain; end of week stormy with heavy rain and high winds.

California: Clear and mild to start, then cloudy and cooler; latter part rainy and cool in north and cool in south.

Title III Program For School

At the regular Board Meeting last Tuesday evening, Mr. Hart reviewed the Title III NDEA Program and it was moved that application be submitted for approval. The Title III ESEA Program, an analytical and prescriptive program for upgrading reading levels of elementary pupils, was discussed and approved also. Mrs. McKenzie, the Multi-Group teacher, was chosen to coordinate the program for grades one through six with the assistance of Mrs. Daniels, the librarian. The proposed target date is February, 1975. Application will be submitted for approval.

School bus bids were opened, but it was decided that a thorough check should be made on the present buses before a decision was made to purchase a new one.

Mrs. Peters was granted a contract to organize and direct a Drama Club.

The eighth grade class is sponsoring a Family Skating Party at the Zion Skating Rink on Dec. 15.

A meeting of the Welfare Committee was called for Jan. 7, 1975.

ESSAY CONTEST WINNERS posed with contest officials. Front row from left: Dave Aschbacher, Julie Koss, Kim Breidel, John Jackson, Sheri

Potts and Steve Lasco. Second row: Arnold Weber, Sue Sedivec, Lloyd Tiegs, Bill Brook and Chief Jack Wells.

Students Write Winning Essays

By SUE SEDIVEC
Police Community
Relations Officer

As part of Youth Government Awareness Week, the 6th, 7th and 8th grade students of all township schools were invited to enter an essay contest and express their feelings about the Antioch community.

The schools participating were Faith Lutheran, St. Peter's and Antioch Upper Grade.

The essay, titled "I like it

here in Antioch because ..." encouraged several positive attitudes of Antioch's people, businesses and volunteer service organizations.

Through the support of the State Bank of Antioch, savings account prizes of \$10 and \$5 were awarded for the two best essays from each class.

The winners from the 6th grade were:

Kim Breidel (first) and John Jackson (second), both from St. Peter's.

From the 7th grade:

Sherry Potts (first) and Julie Koss (second) both from St. Peter's.

And from the 8th grade:

Steve Lasco of Faith Lutheran, first, and Dave Aschbacher of St. Peter's, second.

I WANT TO thank Mr. Kevin Mulhern, social studies teacher at St. Peter's, for his energetic support of the program, and also Mr. Lloyd Tiegs, principal of Faith Lutheran, for his

cooperation.

Encouragement of this program not only gave the young people a chance to express their views of the Antioch community, but also gave them an opportunity to consider the positive aspects of the town in which they live.

Also a special thanks to president William Brook and vice-president Pres Reckers of the State Bank for their continued support of the young people of the village of Antioch.

Take stock in America.

Buy U.S. Savings Bonds

Operating Engineers Accept New Applicants

The Northern Illinois and Northern Indiana Apprenticeship & Skill Improvement Program of Waukegan, Ill. will accept applications for those individuals residing in Lake and McHenry counties from Monday, Jan. 6, 1975 through Saturday, Jan. 18, 1975.

Basic qualifications are: Minimum of two (2) years of high school or G.E.D. equivalent certificate; At least eighteen (18) years old, and not over twenty-eight (28) years of age. In cases of honorably discharged veterans, years of

military service can be added to the 28 year age limit; American citizen, or in process of naturalization; Physical ability to do the work normally done by Operating Engineers as determined by a licensed physician; Must be a resident of Lake or McHenry county.

Application packets will be available between the hours of 8 a.m. to 5 p.m. Monday through Friday and from 8 a.m. to 12 noon on Saturday at Operating Engineers Local 150, 2751 Washington Street, Waukegan, Ill.

How Many Lights Does Tree Need?

How many lights does a Christmas tree need to bring out its full beauty?

Don't guess! Measure, says Betty Commean, Lake County Extension advisor.

Multiply the height of the tree by the width. How many feet high? How many feet wide? Then multiply that number by three. You'll then know the maximum number of lights to use. To get the minimum, cut that figure in half.

This guide is good whether

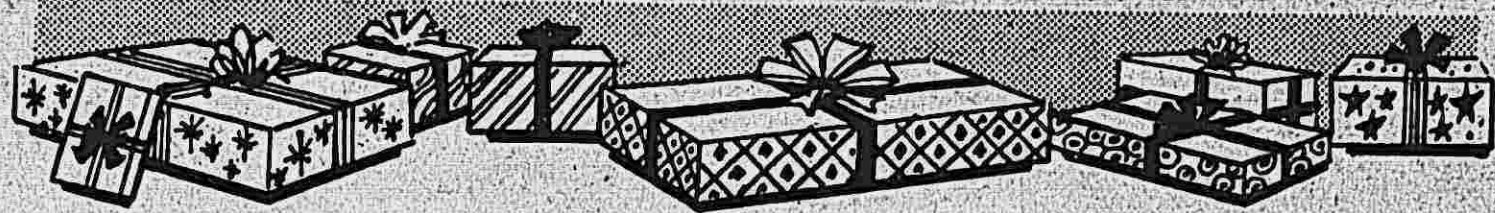

you're determining the lighting for an outdoor tree or an indoor tree — for a 3-foot or a 30-foot tree, Mrs. Commean says.

In placing the lights, start at the top of the tree and work down. You can distribute the lights evenly by wrapping them spiral-fashion around the tree. Be sure you're satisfied with the light positions before placing any other decorations on the tree.

Every socket on the light string should be filled with a

bulb. This will assure that little fingers or dangling decorations do not get burned by an empty socket. All decorations should be fireproof.

Imitative Christmas trees that have built-in electrical systems should be checked to see whether they have an underwriter's Laboratories seal (U.L.). This shows that the trees have been tested for electrical safety. In fact, all types of decorative lighting should carry this inspection seal to assure electrical safety.

Along the way with

ANNIE MAE

Wow — only 7 more days and that big day will be here. Can't wait — Christmas is always so lovely — from the Midnight Christmas Eve candlelight church service to all the friends and relatives dropping in for holiday cheer.

I know two mothers who will really have a super Christmas — Lynn Sterbenz and Fran Collette will return from their four month cruise on the World Campus Afloat ship next Monday. I know they'll have lots to tell and lots of catching up to do.

Beauty is more often found in

simple things. Roses and snowflakes. Rainbows and sunsets. The simple beauty of candlelight is a joy most people have known, but when it becomes a queen's crown it is a thing of rare beauty. Last Sunday morning, Debbie Pederson wore this crown before the congregation of St. Stephen Lutheran Church as she portrayed St. Lucia, a medieval Christian martyr whose radiant witness has become the inspiration for the festival of Santa Lucia.

The Chamber of Commerce

had a meeting last Monday with one of the youngest members in it's history. Little Albert Pionke came along with his mom, Chris, just to make sure things went along okay. Nice to see you back Chris!

Millie Gaston took a few days off for a visit with her daughter Ellen in Alexandria, Va. Ellen sends her love and hellos to everyone in Antioch.

Who says Friday the 13th is unlucky?? Not for Norma Garvin anyway — This was the day the Pillsbury Bake-Off people called to tell her she will be one of the finalists in the Bake-Off on Feb. 23-24-25. How about that — 2 winners in the same family. Norma is Peggy VanPatten's mother.

Mark Alton will be here from Austin, Texas to visit his family for the holidays. Hope you have a nice stay, Mark.

PARTIES, PARTIES, PARTIES..... the holiday season was celebrated by the employees of District No. 34 last Saturday evening. The Herbst and Meyer houses were lively with Christmas spirit. The successful referendum and the upcoming vacation seemed to be the topics of the evening.

The Antioch Rescue Squad members and their wives were treated to some holiday fun at the home of Bruce and Nancy Jablonski — seems that the whistle went off at 2 a.m.....

Some super gloog was made this weekend. We even had trick or treaters at the door for their share!!

The Weber family celebrated Christmas at the Dutchman this year. All eight of the kids and their wives and children were together for some holiday cheer.

The First National Bank employees celebrated the holiday season with dinner and dancing at Paty's Lounge this past weekend also.

Hear-tell that Rick Johnson, stationed on the U.S.S. Oklahoma City has been to Hong Kong, the Phillipine Islands and will now be stationed in Yokouska, Japan. Merry Christmas Rick from all your Antioch friends.

Christmas band and choral concerts at the high school and the grade school were really

ANTIOCH LIONS CLUB CAR RAFFLE, FIRST PRIZE WINNER - is Mrs. Anne Lorang, 410 Shore Drive, Lake Villa, shown second from left, accepting a \$2,500 check from Lions Car Raffle committee member, Pres Reckers. Also present to congratulate Mrs. Lorang were Dr. Jim Kopriva, left, and Irving Carey, right, who share the distinction of having sold her the winning ticket. Mrs. Lorang was offered her choice of the cash prize or a new car. Antioch Lions Club members sold tickets for many weeks preceding the car raffle drawing date, Nov. 30, and the net proceeds realized exceeded \$4,300 to be donated to the Parks and Playgrounds Fund in Antioch.

DOMESTIC AND INTERNATIONAL ABC's of Travel

By BARB CORBIN

Once again the holidays are upon us and following are a few helpful hints for those of you who will be traveling or have family members traveling.

We still have our airport security, so allow extra time (one hour prior to departure) for arrival at the airport. Remember, anyone who must wear metal orthopedic devices should be sure to get a letter from his doctor/physician confirming the metal and have it with him at all times. The metal screening device will pick this up right away and the delay could cause you to miss your flight.

Also, all wrapped Christmas gifts should be checked in with your luggage. If you carry them on, those beautifully wrapped gifts will have to be opened for inspection. The security guard will NOT take your word for it.

Screening is done by a magnetic type device; electricity is NOT used so heart pacemakers or other electrical devices will NOT be altered. The Federal Aviation Administration has established stringent requirements for the screening of airline passengers for your own benefit, so please co-operate by using the above hints and this way you will get to your departure gate a lot quicker.

For any of you who are to pick up family at O'Hare on the 20th through the 24th; it might be wise not to leave home until they arrive at the airport. Have them call you from a phone right where they deplane and by the time you drive in, they will have gotten their luggage and be in the lower level waiting for you. Parking will be a problem as O'Hare is the busiest airport in the world. I know what a mess it can be, I have been doing it myself since O'Hare opened up, and I know my way around. Happy Holidays!

Barb Corbin

Without kindness there can be no true joy.

Happenings around the community

AARP Celebrates Christmas

Over 108 members of the Antioch American Association of Retired Persons No. 387 attended a Christmas party on Tuesday, Dec. 10. Santa Claus and his helpers distributed gifts to each and every member of the association after a delicious dinner served by the women of the Antioch United Methodist Church.

The Association would like to thank all of the merchants, banks, and all the professional people in Antioch for their contribution to this marvelous party and a special thanks to Mildred Simoni, Bob Heywood and Viola Fernstrom for all their hard work organizing everything.

The next meeting will be held

on Jan. 14, 1975 at the St. Peters Social Center in Antioch at noon.

Sequoia Auxiliary V.F.W.

Sequoia Auxiliary V.F.W. held their regular meeting on Monday, Dec. 9. Myra Randall, past president presided during the absence of president Ida Wysoglad. A donation for canteen books was made to

Downey hospital. Several needy Christmas cheer presents were approved and a cash donation was sent to the V.F.W. National home to help fill Santa's bag for the children living there.

The meeting closed with a Christmas gift exchange and a snack buffet.

The next meeting will be held on Jan. 13, 1975 at 8 p.m.

Continued from Page 8

lovely last Sunday. Both band directors should be complimented on the fine performances they gave and, of course, Ralph Brook's chorus did a beautiful job. I don't believe

I've ever seen such a huge beginner band or have ever heard Mary's Little Lamb played in such volume. Boy Mr. Olisar, will have a terrific band in a few years.

Mr. and Mrs. Sven Osterlund from Albion, Indiana were in town for the weekend visiting

Marion Prange. While here they all went to the Swedish Glee Club for an excellent dinner and concert by the Men's Chorus.

What do you know, Rhode & Lynch still don't have a sign on the front of their building.

Belated birthday wishes are in order for Ricky Apostol who

celebrated on Dec. 4 and to Mr. Buchta who was 90 on Dec. 7.

Birthday congrats to Henry Serch on the 18th, to Jerry VanderMeer, Jim Koppa, Peg Leider and Jim Fields on the 19th, Cindy Alton on the 21st and Johnny Dunne on the 30th. Special wishes to Karen White on the 21st.

DON'T FORGET POL - we'll see ya on the 20th. Plenty of room at our house.

It was really nice to hear from our old friends Karen (Sheehan) Powers and Sue Bartlett. Sure would be nice to see everyone during the holidays.

See ya,
Annie Mae

"We strip down 30-year-old transformers and rebuild them from scratch to make your electric dollar go farther."

"Before the electricity we generate gets to you, it goes through transformers. Thousands of volts go in one end and come out the other as a neat little stream of energy you can use to run your record player or heat your oven. Commonwealth Edison has thousands of these transformers in the field, working round the clock. Some have been out there for over thirty years and have gotten into pretty rough shape. My job is to get them working like new."

Jim Amos supervises the equipment reclamation program at Commonwealth Edison's Technical Center. This complex of

machinery and men operates on one basic principle: don't buy new equipment if you can make old equipment work like new. When you consider that one high-voltage transformer can cost as much as \$50,000, that makes a lot of sense.

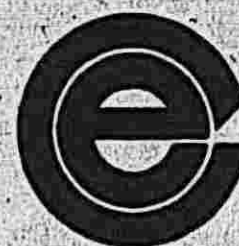

"It turns out that even if we have to dismantle a transformer and rebuild it from the ground up, we're still saving money. Of course, many of the transformers we take in just need a little tuning up. Some need an oil change. Some need new insulation. But on some of the older ones, we've got to repair the core. That's the tough part. But like I say, it's worth it."

Before a transformer leaves the Technical Center, it gets a face-lift in the paint room.

Then comes the final test: it must withstand twice the electrical voltage it normally would handle. Only then is it ready to go back on the line.

In the process, we've added perhaps thirty years to the life of a transformer and saved thousands of dollars.

Commonwealth Edison
Working for you.

CHANNEL LAKE CHATTER

Boy Scout Troop 91 held their annual Christmas pot luck supper and Court of Honor last Thursday evening at the Antioch Methodist Church. The evening held great pride for this reporter and my husband, Joe, and for Skip and Carol Whitton, as our sons Jeff and Dick received the highest rank in Boy Scouting, the Eagle award. The boys worked very hard and long to achieve this great award. The Channel Lake area has produced six Eagle Scouts all coming from Troop 91. The first Eagle was awarded in 1947 to Ray Atwood. Ray is a former resident and is still active in Scouting. His son Bill is now hard at work toward his own Eagle award. The more recent Eagle Scouts are George Pierce, Mike and Bill Harland and, of course, Jeff Gutowski and Dick Whitton.

Other boys from our area receiving awards at the Court of Honor were Ron and Bob Gossman, Tod Barnes, and Ken and Allan McGuire. Congratulations to all the boys and their parents.

The Antioch Community High School held their Christmas Band and Choral Concert last Sunday afternoon in the school auditorium. The concert was very entertaining and a credit to choral director Ralph Brook

and band director John Olisar.

Following at 7 p.m. the same evening the grade schools held their Christmas Band Concert under the direction of Mr. Larry Wagner. After the concert the parents and children enjoyed home made cookies and punch. The cookies were all made by the band mothers.

The Channel Lake Grade School will hold their Christmas program on Thursday evening at 7:30 p.m. in the school gym. The program is under direction of Mrs. Donna DeWitt. Donna has been very busy for the past two weeks putting the stage together and getting the children to put their programs together. Everyone is welcome to attend. Cookies, coffee and milk will be served after the program, and I hear a certain white bearded, red suited, man

will be paying a visit to the children that evening.

Mary Jo and Mike Zeien and children spent last weekend in Cascade, Iowa visiting Rich and Kathy Behrens and family. On Saturday night the two families attended a high school girls basketball game on which Debbie Behrens is a teammate. Mary Jo said it was really interesting and those girls are really tough players.

Lou Portalski spent the long Thanksgiving weekend in Tacoma, Washington visiting his son Ted and daughter-in-law Carol and grandsons David and Mark. He had a great time taking in many of the Washington sights and payed visits to former Antioch residents Clarence and Helen Jarvis who now reside in Tacoma and to former Zion residents Dave and Marla Hansen who now live in Salem, Oregon. Dave is a former Chain O'Lakes Boat Club member and racer. The trip was enjoyed by everyone and now I want to wish brother Ted and his wife, Carol, a Merry Christmas.

Well, Christmas is only one week away and if I hurry and work real hard I will be ready in two weeks.

Happy Holidays to all and let me know the news.

Louise

When you're gift shopping, remember that you are buying something for somebody else, not yourself. Consider the other's tastes and his or her particular needs. If somebody has a fabulous wardrobe, don't buy her just another blouse. Think of a unique accessory like a bright scarf or an unusual pin that could beautifully highlight any outfit.

The Town Crier

Investigators in Boston found that people who drink six or more cups of coffee a day are more prone to heart attacks than people who don't drink coffee. Smoking was ruled out as influential.

Now another study has contradicted the Boston findings. No association between heavy coffee drinking and heart attacks could be found among 464 members of a health plan in Oakland though some 20 percent of them were heavy coffee drinkers.

On the other hand, almost half the persons who had heart attacks were heavy smokers. Moral: When in Oakland, imbibe caffeine but skip nicotine; whilst in Boston, turn down the cup as you light up and puff."

WE CAME upon this jingle from The Wall Street Journal: "Are those who love the birds and bees, willing to sit in the dark and freeze?"

CAN'T HELP but feel good about the neat move made by Green Bay Packer Coach Dan Devine.

He escapes an unhappy situation in Green Bay, where the fans were on his back and his bosses were going to bounce

him, and winds up as head coach at Notre Dame, where he probably will be a big winner again.

Green Bay fans and players didn't like Devine's "cold" personality, but someone at Notre Dame must be impressed with him.

If Bart Starr becomes Green Bay's coach, Packer fans will have another hero to worship. Starr is as popular in Green Bay as Vince Lombardi was. But, oh boy, he had better win.

ISN'T ARA PARSEGHIAN fortunate? At the age of 51 and the peak of his career he has enough money to step down as head coach at Notre Dame and take at least a year off because he is "physically exhausted and emotionally drained from 24 years of working."

Aren't we all?

Hear ye!

POLICE DESK

CAR STOLEN, THEN FOUND

An Antioch woman, Diane R. Andre, reported to police Friday evening that her car was stolen from the parking lot behind the Ben Franklin store. She said the 1968 Ford Mustang was unlocked and the keys had been left inside. Lindenhurst police found the car abandoned in the Plaza parking lot there at 11:30 the same night. It apparently was undamaged and was returned to the owner.

CHURCH WINDOWS BROKEN

Antioch police on routine patrol last Friday discovered that three windows were shot out and another window damaged at the Christian Science Church on Rt. 173 at Harden St. Police said the windows apparently were damaged by vandals using a pellet gun.

ACHS GIRLS VOLLEYBALL

Antioch High's girls volleyball teams met Grayslake recently.

The "A" team lost its first game 10-15, then scored victories of 15-9 and 15-14. Judy Bjork scored seven points in the second game and Debbie Haling scored five in the third game.

The "B" team suffered its first losses of the season, 14-16 and 3-15.

Last Saturday the "A" team posted 15-9 and 15-12 wins over

Cary-Grove. Linda Kasik scored nine points in the first game and Debbie Haling, team captain, scored 10 in the second.

The "B" team captured two wins, 15-10 and 15-9. Rosemary Scheske and Karin Mohar had six points each in the first game and Julie Weber led in the second game with 11 points.

THE HISTORY OF CHRISTMAS CUSTOMS

Ever wonder, as you hang festive lights on the branches of that prize pine or spruce, who trimmed the first Christmas tree? Or when folks first "discovered" Santa Claus? Or who sang the first Christmas carol?

Some Christmas customs are surprisingly recent, while others date back beyond the earliest Christians. But the Yuletide we know — complete with gifts under a gaily lighted tree, friends calling to admire the sparkling decora-

tions, family reunions — has existed for only the past 200 years.

To our ancestors of several

centuries ago, Christmas was a time of solemn rejoicing and deep religious dedication, with little of the modern gaiety. The New England Puritans actually forbade joyous Yuletide demonstrations!

New Englanders and other Americans eventually followed the lead of New York's Dutch settlers and succumbed to the charm of "San Nicolaas" — better known as Saint Nick or Santa Claus. But the jolly gent had a flourishing career long before he reached our shores.

More than 1600 years ago there was a St. Nicholas — a Turkish bishop whose countless works of charity made him a legend in his lifetime. Martyred in 342 A.D., he became the patron saint of children and of three nations:

Greece, Holland and Belgium. As for the Christmas tree, it's still the center of attraction in many homes — a

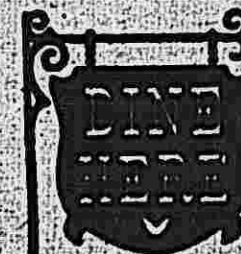

place of honor rooted in history. Thousands of years before the first Christmas, the evergreen was revered as a symbol of long life and immortality. German tribes brought fir trees into their homes to please the god-like spirits they thought inhabited the trees. When these pagans converted to Christianity, they transferred their feeling for the evergreen to the new religion.

Next time you hear "Deck the hall with boughs of holly" — a song that dates back to the Middle Ages — remember the origin of Christmas carols. The word "carol" means "to dance in a ring", and the man who popularized the practice was the beloved St. Francis of Assisi. To bring the Christmas message vividly and directly to his villagers, most of whom could not read, the 13th century saint arranged a manger scene using real people and

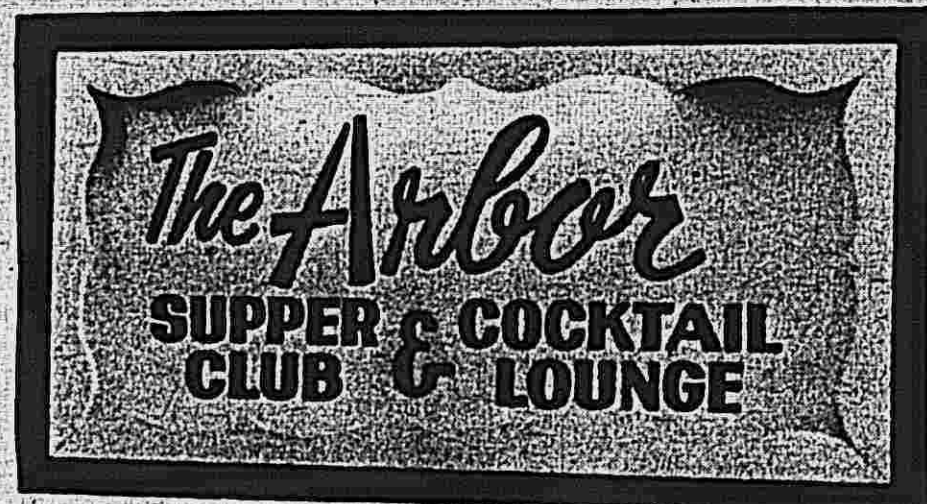

animals. When the villagers came to see it, St. Francis led them in joyous celebration — in "caroling".

So this holiday season as you make your home ready with a decorated tree, glittery ornaments and shining lights, you can feel a kinship with people through the ages who kept the glorious traditions of Christmas aglow.

Students Helping Needy Families

The Student Council at Antioch Community High School is working on a special Christmas project to help needy families in the high school district.

Members of the Student Council have been collecting donations of food items from the student body. All students are being encouraged to contribute, and a record is being kept of how much is contributed by members of each class.

The Student Council has set

up a cash prize of \$10 for the class that donates the most items. A final inventory will be taken on Thursday and food will be distributed to needy families prior to the holiday.

The Student Council is also accepting names and addresses of needy families within the high school district. You can submit such information by calling the high school, 395-1421 and asking for Mr. Monke or Mr. Curtis, Student Council sponsors.

Open Year-Round

McHENRY IS BEATEN IN SUPER-THRILLER!

Antioch Aims For 2 More Wins

After last Saturday's 61-59 victory over McHenry the Antioch Sequoits are going to have a hard time coming up with a more thrilling way to win a basketball game.

But they'll try, folks, they'll try...

...Starting Friday night when they play Wauconda here at 8:15 p.m. And then Saturday, same time, when they travel to Libertyville.

Coach Roger Andrews' Sequoits now have a 5-1 record and are 2-0 in the conference. Wauconda is a conference opponent and a team with a 2-6 record for the season.

Andrews said he expects the game at Libertyville to be another tough one.

LAST WEEKEND the Sequoits trounced Round Lake

70-35 before they played the McHenry thriller.

They got off to a slow start against Round Lake, leading by only 10-8 at the quarter, but then they pulled away easily.

Russ Albano and Mike Perrone poured in 21 and 20 points respectively. Perrone only took seven field goal attempts but he swished six of them. And he made eight of 11 free throw tries.

Coach Andrews said his team rebounded well and shot well (53 percent).

"George Ferguson did a very good job in a reserve capacity," the coach said. "I was extremely pleased with that. All our reserves got to play."

MC HENRY WAS just as tough as expected on Saturday night. The visitors took a 14-10

RUSS ALBANO

MIKE PERRONE

JON BODIN

lead in the first quarter and still led Antioch, 31-28, at the half. But the Sequoits fought their way into the lead and enjoyed a

57-54 advantage with two minutes left in the game. McHenry tied it up and then went ahead 59-57 with only 28

seconds left.

Then Antioch's Jon Bodin saw an opening, drove in and made a left-handed layup shot to tie the score at 59-59 with 14 seconds. But Bodin fouled a man. Luckily, McHenry missed the free throw, Mike Witt grabbed the rebound and Antioch called a time out to set up a play.

It worked perfectly. Bodin was to shoot from the outside or Perrone from the inside. Bodin went up for the shot, the McHenry players turned their back on Perrone and, in mid-air, Bodin changed his mind, passed to Perrone and Mike slammed in the winning basket with four seconds to play.

McHenry didn't get off another shot.

"It was a super game against a very strong ball club," said Coach Andrews.

Perrone finished with 22 points and Albano with 20.

"There were a lot of heroes," Andrews said. "The whole team did a real commendable job. Scott Kimball's eight points in the first half helped keep us in the game. By alternating three guards - Bodin, Mike Witt and Kevin Walpole - we were able to stay pretty fresh and handle the pressure of McHenry's pressing defense."

The coach pointed out that Bodin made three key plays in the last two minutes that helped save the victory. In addition to his drive for a layup and his "shot-pass" to Perrone, he made a neat defensive play to cut off a McHenry basket.

ALBANO SUFFERED a head cut during a rebound scuffle in the second quarter and missed part of that period and also part of the third.

Coach Andrews expressed his thanks to Dr. Robert Barnes, who came to the locker room, sewed up Albano's head and gave him a shot of novacaine.

Albano returned to action with 10 stitches in his head and scored nine points in the second half.

"They're fine boys," Andrews said. "That's why they win."

In the Philippines, it's believed that a fisherman who chews ginger and spits on his bait will be inundated with catfish.

3-Way Tie in Basketball Contest

Some of the local basketball fans really have the Antioch Sequoits pegged.

Three of them, for example, came within one point of predicting the outcome of last weekend's Antioch-McHenry game. They said Antioch would win by three points. The Sequoits won by two.

The brilliant forecasters were Bob Dubek, Nanci Pawlowski and Neal Lulofs.

TO DETERMINE who gets which prize, we had to use the tie-breaker: The Antioch-Round Lake game. Antioch beat Round Lake by the surprising margin of 35 points. Bob Dubek wasn't too surprised. He had predicted

25 points so he wins the \$15 first prize.

Nanci and Neal both said Antioch would win by 12. To determine second and third place we had to toss a coin. Nanci won and receives the second prize - a \$10 gift certificate at Stanley's Men's Fashions. Neal receives third prize - a \$5 filet dinner at The Vault Restaurant.

Several other contest entrants picked Antioch to win by four or five points over McHenry. They came awfully close.

BASKETBALL FANS get another chance this week. The

RIDE 'EM COWBOY! -- Scott Shaffer, Antioch varsity wrestler, had a lively opponent in the Round Lake meet -- but he hung in there and scored another victory. (Paul Mapletorpe Photo)

Varsity Wrestlers Flatten 3 Foes

Antioch's varsity wrestlers had a busy weekend, winning three of four dual meets.

Last Friday the Sequoits demolished Round Lake 44-17. Saturday they traveled to Janesville-Craig for a triple dual meet, losing to the home team 30-25 and then destroying Rockford West 45-18 and Kenosha Bradford 39-13.

The Antioch varsity now has a 6-3 record.

FRIDAY'S MEET at Antioch featured some interesting matches. At 112 pounds, Brian Parpan opposed Round Lake's undefeated Dennis McDermitt. McDermitt scored an early takedown and led 2-0 going into the second period. Parpan then scored an escape and a takedown for a 3-2 lead. But late in the third period McDermitt scored a reversal to win 4-3.

At 119, Round Lake's Jon Reyes was undefeated and faced Antioch's unbeaten Scott Shaffer. Shaffer scored two

takedowns and a three-point near-fall in the first period while Reyes made two escapes. In the second period Reyes was able to score two more escapes, but Shaffer kept piling up points to take a big lead and, with 26 seconds left, he scored his fifth pin of the season.

Shaffer's win seemed to ignite the Sequoits as they continued on to the 44-17 victory.

IN THE TRIPLE dual meet, Shaffer scored three more falls to run his record to 10-0. Greg Nordstrom won three more matches and also has a 10-0 record.

Other Antioch wrestlers winning three matches were Dennis Thain, Dave Kisner and Mike Weber.

Antioch faces Wauconda, there, Friday night. On Saturday, Lake View of Chicago visits Antioch for matches at all levels except the varsity.

Contest

from Page 14

contest appears on page 16 of today's Antioch News.

"The Game of the Week is Friday night's clash with Wauconda, starting at 8:15 p.m. in the Antioch gym. The tie-breaker will be the Antioch-Wauconda sophomore game, starting at 6:45. Entries must be received at the Antioch News postmarked before 5 p.m. Friday.

Once again the champion forecaster will win a check for \$15. Second prize is a \$10 gift certificate at BJ's Fashions for Men or BJ's Closet, and third prize is a \$5 gift certificate at Walsh's All Seasons.

Grass Lake Wins 57-22

Grass Lake School defeated Spring Grove in basketball recently, 57-22, with Chucky Kempf scoring 26 points. Charles Schreiber and Pat Sikorski each scored 10 points for Grass Lake's Braves. They now have a 1-2 record.

Grass Lake's 7th graders suffered a 28-20 loss despite eight points each by Sean Mullins and Pat Meyerin.

Sophs Lose 2 Thrillers

The Antioch sophomore basketball team dropped two close games last weekend.

On Friday, the sophs lost to Round Lake 52 to 47 and Saturday they lost to McHenry 48 to 45.

On both nights Antioch was in the game up to the closing seconds but could not come up with the break needed to win.

Don Norwick led scoring followed by Pat Houghton with 13. Pat also came up with a fine defensive effort in the second half to hold Round Lake's leading scorer and keep the game close.

In the McHenry game Norwick again led with 15 points and close behind was Houghton with 14.

The lead changed hands several times but, with 1:20 to go, Antioch was five points behind. Yet, the Sequoia sophs rallied and tied score at 19 seconds to go. Schiller of McHenry was fouled going in for a layup which went in and he added the free throw to make the final score 48 to 45.

Antioch will play Wauconda this Friday at home and travel to Libertyville on Saturday.

MORE SPORTS PAGES 26, 27

Antioch Frosh Keep on Winnin'

Antioch's freshman basketball team claimed two more wins last week, a 56-54 thriller over Zion and a 61-26 rout of Round Lake.

The frosh have a 3-0 record and will play again Saturday, 9 a.m., against Wauconda.

Antioch trailed Zion until Tim Huebner's basket clinched the game for the future Sequoits with seconds remaining.

Bill Dubek led with 14 points and Tracy Sodman contributed 13. Sodman pulled down 11 rebounds. The team effort included 17 assists, Brian Andrews leading with five.

AT ROUND LAKE the Antioch team led 10-3 at the quarter and 27-9 at the half. The game was never in question as they shot 52 percent from the field and outrebounded the Panthers 41-11.

But Antioch made only nine of 25 free throws, so the frosh will have to work on that department.

Dubek led scorers again with 15, followed by Huebner with 12 and Andrews with 10, even though he and Huebner rested during about one-third of the game.

Huebner led rebounding with 12.

Antioch's "B" team split its games, losing to Zion 28-25 and beating Round Lake 37-0. (Yes, surprisingly, it was a basketball shutout.)

Chris Ano led against Zion with eight points and scored 10 against the Panthers. Keith Resin was tops in the Round Lake Game with 12.

Coach Norm Hahn said he was extremely pleased with his charges, especially their team play.

"The assist totals show a lot of unselfishness," he said, "and the defense is tough because of good switching and cooperation."

Town of Antioch Delinquent Tax List

STATE OF ILLINOIS)

COUNTY OF LAKE) SS

Public notice is hereby given that I, Terence A. Tucker, County Treasurer and ex-officio County Collector of Lake County, in the State aforesaid, will apply to the Circuit Court of said County on Monday, the 6th day of January, A.D., 1975, for judgment fixing the correct amount of any tax paid under protest and for judgment against the lands and lots mentioned and described in the following list of delinquent lands and lots for the general taxes for the years 1910 through 1973 both inclusive, together with interest, penalties, and costs due severally thereon and for taxes, drainage, and special assessments due for the years 1914 through 1974 both inclusive together with interest, penalties, and costs due severally thereon, and for an order to sell said lands and lots for satisfaction thereof. Public notice is also hereby given that on the 3rd Monday of January, 1975 to wit: on the 20th day of January A.D. 1975, all the lands and lots for the sale of which an order shall be made, will be exposed to public sale in the building where said Circuit Court is held in said County in the Court House at Waukegan, in said County, for the amount of taxes, special taxes, drainage, special assessments, interest, penalties, and costs due severally thereon, except such as shall have been paid at said time of sale. Said sale shall commence at 9 o'clock a.m., Central Standard Time, on Monday the 20th day of January and to continue from day to day until the same shall be completed and if for any cause such judgment shall not be rendered on the said 6th day of January then such sale will be made on the first Monday after such judgment shall be rendered commencing at 9 o'clock in the forenoon of such first Monday.

Costs on each tract or description of land three dollars; on each lot or description of lot two dollars. Also interest at the rate of one percent per month will be added after September 23rd on the first installment and one percent per month on the second installment after October 23, 1974.

Marines Collecting Toys for Tots

LONG GROVE -- Santa Claus has a special "workshop" here, and the U.S. Marines are his "elves."

The "workshop" is at the Kemper Insurance Headquarters. It's the southern Lake County collection point for the 1974 Toys For Tots drive sponsored by the Lake County Marine Reservists. The nationwide program is in its 27th year.

The Marines are looking for new or like-new toys, bikes and

sleds. "Last year we were especially short on model airplanes, cars and educational games," a spokesman said.

Toys should not be wrapped.

The Marines are also collecting names of families and organizations that may need Christmas presents. Persons with names of needy families or organizations may call the Marine Reserve unit in Waukegan, 623-7447.

A Very Special Christmas

Why not give a pre-Christmas present? Chances are many of your special friends would really appreciate a gift of Christmas decorations for that tree-to-be.

No matter what gift you're giving, you can lend it a

personal touch by wrapping it creatively and including a greeting card of your own design. Be an artist with ribbons, bows, and wrapping paper... and be a poet with sentiments that fit your feelings about your special relationship with the object of your affections.

Bill Would Open Records To Public

Illinois Attorney General William J. Scott has announced that State Sen. Robert Mitchler of Oswego and State Rep. Allan Schoeberlein of Aurora will pre-file in the Illinois legislature Scott's proposed bill to open up state and local government records to scrutiny by the public.

Pre-filing means the bill will

be available for prompt consideration by the legislature when it convenes in January.

The proposed law would be modeled after the federal Freedom of Information Act, recently strengthened by Congress. Even without the new provisions, Scott said, "the federal law has been enormously effective in opening up

government files to companies, taxpayers, scholars, newspaper reporters and other citizens, and we should guarantee this same right here in Illinois."

He noted that the law would have safeguards against invasion of privacy, disclosure of confidential financial information or trade secrets, and release of material relating to law enforcement investigations.

The most beautiful Christmas tree is always the one in your home with your own personally collected decorations. It seems to cover the house with a warm glow and fill your family with holiday cheer.

To keep your tree beautiful, fresh and fragrant straight through Twelfthnight--and cut down on the sweeping and caretaking--follow these five simple suggestions.

1. Make sure the tree you select is fresh. Test it by bending the needles; if they

are pliant, the tree is fresh.

Then gently tap the base of the tree against the ground. A fresh tree will hold its needles fast.

2. When you get the tree

home, keep it outdoors, if possible, until you are ready to set it up for decorating.

3. Saw off about one inch on the diagonal from the tree trunk. This eliminates clotted resins that form at the base of the tree which could block it from absorbing water.

4. Place the tree in a bucket of water mixed with Prolong live-cut Christmas Tree preserver--the ratio is one capful to each cup (8 ounces) of water. Spray the tree with water to keep it extra fresh.

DECK THE TREE

You can adorn the boughs of your Christmas tree with beautiful ornaments you have made yourself. "Creative Clay" wreaths add the special touch of originality that can make your tree something unique.

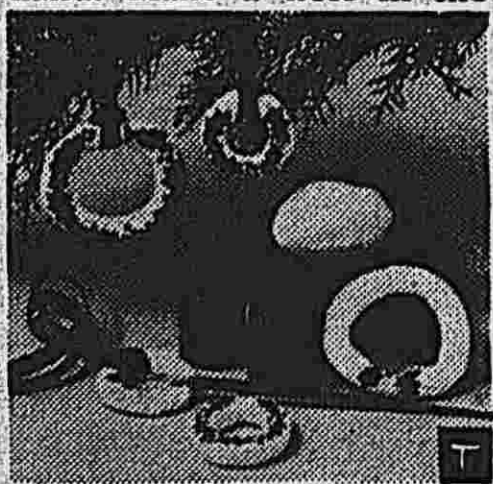

To make the clay, you'll need 1 cup Argo corn starch, 2 cups baking soda (1 pound package) and 1 1/4 cups cold water.

Stir together corn starch and baking soda in saucepan, mixing thoroughly. Add water. Mix until smooth. Cook over medium heat, stirring constantly, until mixture reaches a slightly moist mashed potato consistency. (Mixture will come to a boil, then start to thicken first in lumps and then in a thick mass; it should hold its shape when piled.)

Turn out on plate; cover with a damp cloth and let stand. When cool enough to handle, knead as you would dough until smooth. Shape as desired. If not to be used immediately, store tightly covered; the clay stays pliable for many weeks in a

cool place.

For clay wreath tree ornaments, flatten small lump of clay in the palm of your hand. Make a hole in the

center. Smooth and round out edges and let dry completely at room temperature.

Paint on green holly leaves and red berries, or use felt tipped pens. Spray with clear plastic or brush on clear nail polish for a protective finish. Then, hang the ornament from a tree bough with a narrow red ribbon tied around the wreath.

Your tree will be decked out with originality and beauty and reflect the personal touch of hand-crafted ornaments.

The ancient Greeks mixed turpentine with new wine to make it keep.

CHRISTIAN SCIENCE CHURCH

In the Bible in St. John 9 we read of Jesus' healing of the blind men.

In the Lesson-Sermon entitled "IS THE UNIVERSE, INCLUDING MAN, EVOLVED BY ATOMIC FORCE?" this Sunday at First Church of Christ, Scientist this citation from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy will be read: "The divine origin of Jesus gave him more than human power to expound the facts of creation, and demonstrate the one Mind which makes and governs men and the universe."

Services at First Church of Christ, Scientist, BEACON HILL, Rt. 173 & Harden, Antioch, Illinois begin at 11 a.m. Everyone is invited to attend.

LEGAL CLAIM NOTICE IN THE CIRCUIT COURT OF THE NINETEENTH JUDICIAL CIRCUIT LAKE COUNTY, ILLINOIS PROBATE DIVISION

ESTATE OF JOSEPH E. SAVAGE, Deceased, FILE NO. 74-P-642. NOTICE IS GIVEN of the death of JOSEPH E. SAVAGE of Antioch, Illinois. Letters of Office were issued on December 5, 1974, to EDWARD C. JACOBS, 425 Lake Street, Antioch, Illinois, Executor whose attorney is JACOBS & CLARK, 425 Lake Street, Antioch, Illinois.

Claims against the estate may be filed in the Probate office of the Clerk of said Court, 18 N. County Street, Waukegan, Illinois, 60085, within 6 months from the date of issuance of letters; any claim not so filed is barred as to the estate inventoried within that period. Also copies of claims must be mailed or delivered to the Executor, and to the attorneys.

Soph Wrestling Tournament

On Monday, Dec. 23 the Antioch Sophomore wrestling Sequoits will be host to nine visiting schools in the annual Sophomore Christmas Wrestling Tournament. Entries in the rugged tournament include Grant, Highland Park, Glenbrook North, Buffalo Grove, Aurora West, Warren, Crown, Glenbard North and Lake Forest.

The schedule of tourney is as follows: Preliminaries and second round at 9:30 a.m.; Semi finals and wrestlebacks at 11:30 a.m.; Finals at 2:30 p.m.

The simplicity of children makes them very receptive to love. And to God.

In the Christian Science Sunday School, children learn that God is Father and Mother to us all. They learn that all mankind belongs to one spiritual family—and how this truth draws members of an individual family closer together.

We would love to meet you and your family this Sunday.

St. Peter's Continues It's Winning Ways

St. Peter's 8th graders rolled over St. John's by a 59 to 41 victory. This is St. Peter's fourth consecutive win bringing their record to 5 and 4 with seven games left.

The 7th graders won a thriller 39 to 38 in a double overtime and their record stands now at 2 and 6. The 6th grade lost 32 to 20.

The 8th grade team will meet the Salem 8th graders in a Christmas tournament at Salem Grade School on Thursday, Dec. 19 at 4 p.m. If they win they will continue in the tournament on Saturday, Dec. 21.

Answer on page 28

FOOD FOR NEEDY FAMILIES -- Larry Lloyd and Mary Mayer, Student Council members at Antioch Community High School, assemble food items to be distributed to needy families in the high school district. (Story on page 13)

Millburn Mauled by Emmons

The Emmons Raiders completely dominated the Millburn Mustangs and downed them 48-11 on the seventh grade level and 60-14 on the eighth grade.

Seventh graders seeking their fourth title in the last five years, quickly jumped in front 12-2 at the first quarter. By intermission the game was out of reach at 22-4. Eleven of twelve Raiders scored. Dee Maras led with 12, and Mike O'Brien chipped in 8.

Like their younger counterparts, the eighth graders quickly blew the Mustangs off the floor. After two periods the Raiders led 33-5. The early assault was led by Greg Bodin, Scott Gallagher, and Nick Curl. The threesome accounted for 27

of the 33 points in the first half. Final statistics show Bodin led the scoring with 14 and 9 rebounds. Carl contributed 12 rebounds while adding 10 points. Rob Nauman chipped in 9 points while Gallagher made 8.

The Raiders will host Antioch Upper Grade on Jan. 15 at 7 p.m.

MAKE THIS HOLIDAY DIFFERENT

There's an art to gift giving — and it can be learned! And with Christmas on its way, it is high time to heed a few holiday hints about presenting the perfect present.

1. *The card has a lot to say*, so make it personal. Let your children draw pictures or take a

family portrait and reproduce it for cards with personality. You might even try to write your own poem or limerick for a greeting that is as unique as you are.

2. *Quality is more eloquent than quantity.* You'll give more pleasure with one really fine shirt, for example, than with several ordinary ones. Better a

superb lipstick than an imitation leather purse.

3. *Suit the gift to the person.* For your daring friends, dare to give the earthy scent of musk. Houbigant's primal scent comes in various forms — concentrated oil, dusting powder, spray mist, and French-milled marbled soap — all packed up in an attractive black patent

tote.

4. *Make it easy to care for.* Be sure that what you give is a gift, not a chore. Easy to wash and not-too-fragile materials are the best.

Remember always that the gift you give is a double reflection — it reflects your taste and the image you have of the person you're giving it to.

"If there is one thing that I learned during this process of designing the new economic policy, it is that we in the United States of America have more government than we need, we have more government than most of the American people want, and we certainly have more government than we are willing to pay for."

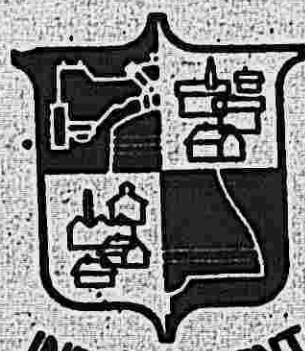

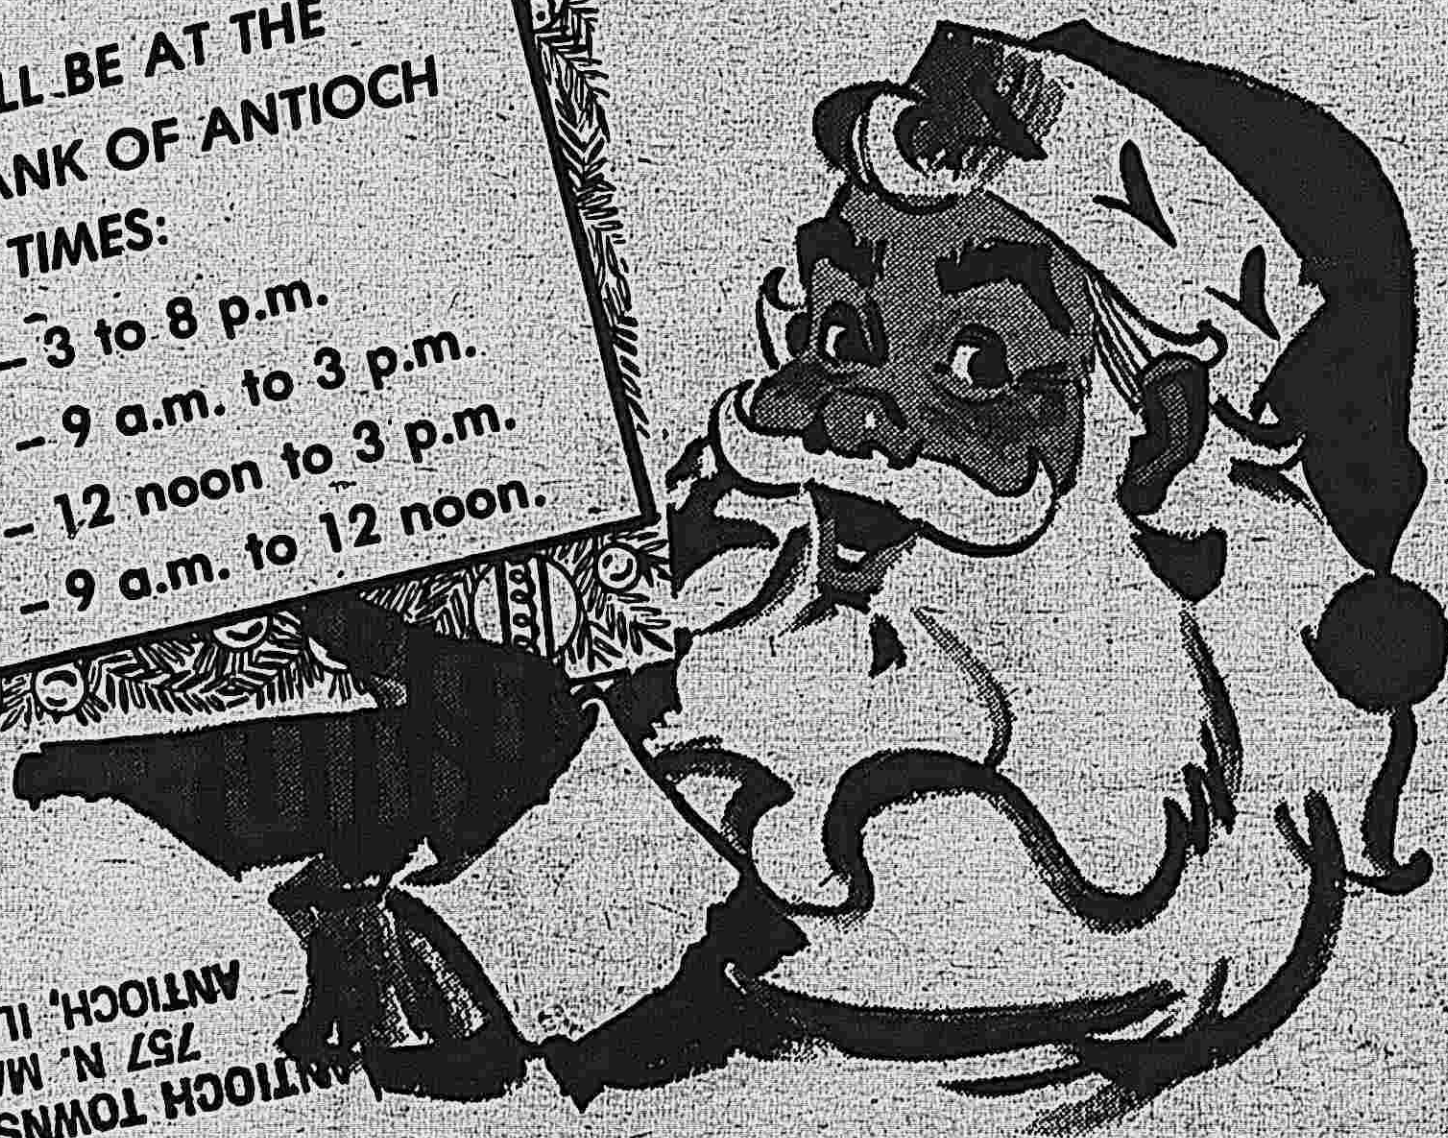

William Simon
New York Times
